E  
I wonder if I'm being real

Do I speak my truth or do  
I filter how I feel?

I wonder, wouldn't it be nice  
A  
To live inside a world  
That isn't black and white?  
E  
I wonder what it's like  
To be my friends  
Gbm  
Hope that they don't think

Dbm A  
I Wonder, I Wonder

[Refrão]

E  
Right before I close my eyes  
Gbm  
The only thing that's on my mind
