

# Shaya Zamora - Please Don't Leave

tom:  
C

Intro: C

[Primeira Parte]

F Sick of the devil, feeding me them lies  
C I swear that I felt God on that Thursday night  
F Grab my hand and you held it tight  
C I've never felt that safe in my whole dang life  
G I've never done good but I swear  
C Jesus, I'll try

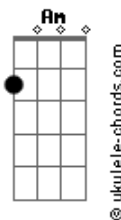

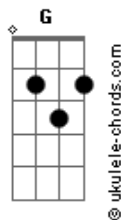

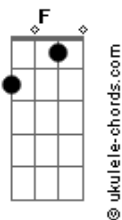

[Refrão]

Am G C Hold my hand  
Am G C Don't you leave  
Am G C Am Oh, this darkness cannot fool me  
G C Oh, this darkness cannot fool me

[Segunda Parte]

Am Never was the type to believe in fairy tales  
G But Lord I know you're real  
C 'Cause nothing here on earth could make me feel the way I feel  
Am

## Acordes

G If a child's evil from his youth  
C I guess we're all born in the fire

[Ponte]

Am G Got a lot on my heart at the moment  
C No, I need something to free my soul  
Am G Remember these are all the things I prayed about  
C Oh Lord, I finally got a car but I can't seem to drive it home
