

She & Him - Me And You

Tom: C

(intro 2x) C Em Dm G7

(verso 1)

Well I'm back in your good graces again

Remember when you told me that I was

your only friend?

Well you've made the best of this life

Where you never knew one day from the next

Dig your heels in, little girl,

Put em to the test

(refrão)

You've got to be kind to yourself

You've got to be kind to yourself

You've got to be kind to yourself

(verso 2)

C Em Dm G7

Well I heard you had the blues again

It seems like all those little things add up

in the end

Well I know that you worry a lot about

Things you can't control

There are so many things we'd like to have

But we just cannot hold

(refrão)

You've got to be kind to yourself

You've got to be kind to yourself

You've got to be kind to yourself

(guitarra solo) C Em Dm G7

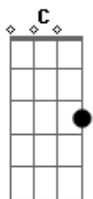

You've got to be kind to yourself

You've got to be kind to yourself

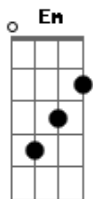

You've got to be kind to yourself

You've got to be kind to yourself
