

She & Him - Me And You

Tom: C

(intro 2x) C Em Dm G7

(verso 1)

Well Im back in your good graces again

Remember when you told me that I was

your only friend?

Well youve made the best of this life

Where you never knew one day from the next

Dig your heels in, little girl,

Put em to the test

(refrão)

Youve got to be kind to yourself

Youve got to be kind to yourself

Youve got to be kind to yourself

(verso 2)

C Em Dm G7

Well I heard you had the blues again

It seems like all those little things add up

in the end

Well I know that you worry a lot about

Things you cant control

There are so many things wed like to have

But we just cannot hold

(refrão)

Youve got to be kind to yourself

Youve got to be kind to yourself

Youve got to be kind to yourself

(guitarra solo) C Em Dm G7

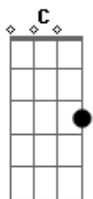

Youve got to be kind to yourself

Youve got to be kind to yourself

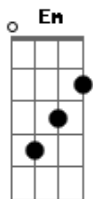

Youve got to be kind to yourself

Youve got to be kind to yourself
