

She & Him - Riding My Car

Tom: G

(intro 2x)

G Bm
Remember last summer when we had the chance
C D
To find each other, start making romance
G Bm
But it didn't come off because you found another
C D
Without one hand of a clock, what good is the other?

C G
And I can't find no true love, oh baby, it's so hard
C D
And I still think about you every time I'm riding in my car

G Bm
So I went to the place where everybody hangs out
C D
To see what everybody was talking about
G Bm
And over in a corner all alone with you
C D
Was a boy from last summer singing songs to you

C G
And he can't sing like I can sing, oh, it's so hard
C D
And I still think about you every time I'm riding in my car

Bm
When I'm home alone
C D G
I can think of other things to do
Bm C D G
But when I'm rolling in forward motion I think about only you

G Bm
It's been a year and a day since I talked to you
C D
I don't know how I made it, but I sure have been blue
G Bm
And every time I think about what might have been
C D
I jump in my car and start riding again

C G
And I can't find no true love, oh baby, it's so hard
C D
And I still think about you every time I'm riding in my car
