

# She & Him - Riding My Car

Tom: G

(intro 2x)

G Bm  
Remember last summer when we had the chance  
C D  
To find each other, start making romance  
G Bm  
But it didn't come off because you found another  
C D  
Without one hand of a clock, what good is the other?  
C G  
And I can't find no true love, oh baby, it's so hard  
C D  
And I still think about you every time I'm riding in my car  
G Bm  
So I went to the place where everybody hangs out  
C D  
To see what everybody was talking about  
G Bm  
And over in a corner all alone with you  
C D  
Was a boy from last summer singing songs to you

C G  
And he can't sing like I can sing, oh, it's so hard  
C D  
And I still think about you every time I'm riding in my car  
Bm  
When I'm home alone  
C D G  
I can think of other things to do  
Bm C D G  
But when I'm rolling in forward motion I think about only you  
G Bm  
It's been a year and a day since I talked to you  
C D  
I don't know how I made it, but I sure have been blue  
G Bm  
And every time I think about what might have been  
C D  
I jump in my car and start riding again  
C G  
And I can't find no true love, oh baby, it's so hard  
C D  
And I still think about you every time I'm riding in my car  
(solo 2x)  
(segunda vez)
