

# Blake Shelton - Kiss My Country Ass

Tom: D

[Verso 1]

Tearin' down a dirt road, rebel flag flyin'  
'Coon dog in the back

Truck bed loaded down with beer  
An' a cold one in my lap

Earnhart sticker behind my head

An' my woman by my side

Tail-pipe's poppin', the radio's rockin'  
Country Boy Can Survive

Well, if you got a problem with that  
You can kiss my country ass

[Verso 2]

Well, I love Turkey calls, overalls  
Wrangler jeans: smoke nothin' but Marlboro reds

Tattoos up an' down my arms  
An' deer heads over my bed

My Granddaddy fought in World War Two

An' my Daddy went to Vietnam

An' I ain't scared to grab my gun  
An' fight for my homeland

If you don't love the American flag  
You can kiss my country ass

[Refrão]

If you're a down home, backwoods redneck  
C'mon, stand up an' raise your glass

But if you ain't down with my outlaw crowd  
You can kiss my country ass

[Verso 3]

Well, there's a whole lotta high-class people out there  
That's lookin' down on me

'Cause the country club where I belong

Is the Honky Tonk till three in the mornin'

I don't wear no fancy clothes

No ties or three-piece suits

You can find me in my camouflage hat  
My tee-shirt an' cowboy boots

If that don't fit your social class

You can kiss my country ass

[Refrão]

If you're a down home, backwoods redneck

C'mon, stand up an' raise your glass

But if you ain't down with my outlaw crowd

You can kiss my country ass

[Verso 4]

Cause I'm a front-porch sittin'

Guitar pickin', moonshine sippin'

Bacca juice spittin' country boy from the woods

An' I love fried chicken an' blue gill fishin'

An' outlaw women, an' I wouldn't change if I could

I ain't tryin' to start no fight, but I'll finish one every time

You just mind your own damn business

And stay the hell outta mine

If you got a problem with that

You can kiss my country ass

[Final]

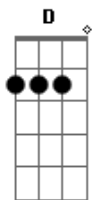

I said if you got a problem with any of that

You can kiss my natural born

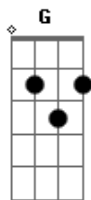

Redneck to the bone

Ever-lovin' country ass
