 We've got the last two glasses on a straw hook bar

 Trying to remember what number we are

 String of white lights making your eyes shine tonight

 We're buzzing like that no vacancy sign out front

 Your skin is begging to be kissed by a little more than the sun

 You take my hand in yours, you lean in
 Em C G D Em C G D
 And your lips taste like sangria, your lips taste like sangria

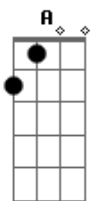

Em C G D Em C G D
 Wrecking ball dancing down the hallway

 You're holding your shoes, wearing my shades

 We fall against the door, we fall into a wild warm kiss
