

Blake Shelton - Sure Be Cool If You Did

Tom: B
Intro: B E Gb B E Gb

I was gonna keep it real like chill like only have a drink or two
 But it turned into a party when I started talking to you
 Now you're standing in the neon looking like a high I wanna be on
 Baby it's your call, No pressure at all
 You don't have to throw back your pretty pink lemonade shooter
 And lean a little closer
 You don't have to keep on smiling that smile that's driving me wild
 And when the night is almost over
 Meet me in the middle of a moonlit Chevy bench seat
 And do a little bit of country song, hanging on
 You don't have to keep me falling like this
 But it'd sure be cool if you did
 You can't shoot me down 'cause you've already knocked me dead
 Got me falling apart with my heart talking out of my head
 Let your mind take a little back road just as far as you wanna go
 Baby, I'll do Whatever you wanna do, wanna do

You don't have to throw back your pretty pink lemonade shooter
 And lean a little closer
 You don't have to keep on smiling that smile that's driving me wild
 And when the night is almost over
 Meet me in the middle of a moonlit Chevy bench seat
 And do a little bit of country song, hanging on
 You don't have to keep me falling like this
 But it'd sure be cool if you did
 Have a night that you'll never forget
 And now you're standing in the neon looking like a high I wanna be on
 You don't have to throw back your pretty pink lemonade shooter
 And lean a little closer
 You don't have to keep on smiling that smile that's driving me wild
 And when the night is almost over
 Meet me in the middle of a moonlit Chevy bench seat
 And do a little bit of country song, hanging on
 You don't have to keep me falling like this
 But it sure be cool if you did
 Yeah, it sure be cool if you did
