

# Shereen Shabana - Maybe

tom:  
 Sad song on the radio playing  
 And I know I'm falling  
 Three words I can hear me saying  
 Resting on my lips  
 You say my name  
 Like I'd got a chance  
 You make it sound  
 Like I'm gold in your hands  
 It's the greatest feeling  
 I'm believing in something  
 Maybe it's nothing  
 Maybe the one  
 ( C G Am F )  
 I've got a feeling you're the one  
 (The one)  
 After the rain here comes the sun  
 (The one)  
 I've got a feeling you're the one  
 (The one)  
 I've got a feeling that you just maybe  
 (Maybe the one)  
 Just maybe  
 (Maybe the one)  
 Just maybe  
 Just maybe  
 I've got a feeling  
 You're the one  
 I see myself driving with you  
 And we've got the wind behind us  
 I see us arriving like fools  
 Like we really don't care  
 We dance in the rain  
 Being at love to the stars

Open our hearts  
 Cause that's who we are  
 It's the greatest feeling  
 Believing  
 That you may be the one  
 (The one)  
 I've got a feeling you're the one  
 (The one)  
 After the rain here comes the sun  
 (The one)  
 I've got a feeling you're the one  
 (The one)  
 I've got a feeling that you just maybe  
 (Maybe the one)  
 Just maybe  
 (Maybe the one)  
 Just maybe  
 (Maybe the one)  
 Just maybe  
 And after the rain goes  
 I see a rainbow  
 After the rain goes  
 Baby, show me a rainbow  
 C'mon and show me a rainbow  
 C'mon and show me a rainbow  
 Baby, you may be the one  
 (The one)  
 I've got a feeling you're the one  
 (The one)  
 After the rain here comes the sun  
 (The one)  
 I got a feeling that you just maybe  
 (Maybe the one)  
 Just maybe  
 (Maybe the one)  
 Just maybe  
 Oh, just maybe  
 I've got a feeling you're the one
