D E A
You turn around before the lightning strikes

And does it ever make you stop and wonder
D E A E Gbm
If all your good times pass you by

I don't hold no mystery

So downhearted

And you could find a rock to crawl right under

And let your good times pass you?
G
When the day is done
E
And the world is sleeping
G E
And the moon is on its way to shine
G
When your friends are gone

You thought were so worth keeping
G
You feel you don't belong

And you don't know why
D E A
And every time you hear the rolling thunder
D E A
You turn around before the lightning strikes

If all your good times pass you by
