

# Sheryl Crow - Resuscitation

Tom: A

Tom :E

Intro: D D A E

E  
Short circuited  
Sleeping through the dopamine  
When you've got nothing to fear  
Too low to notice  
Superman in disco jeans  
Having a good time

D D A

Just wish I was here

E D D A

Resuscitation

E D D A

Bring me around

E D D A

Resuscitation

E D D A

Bring me down

E  
So separated  
Under watergun ballet  
When you've got no map  
You've got no place to go  
Some sexy killjoy  
Bring everybody down  
Well, I eat confusion

D D A

And spit it out slow

E D D A

Resuscitation

E D D A

Bring you 'round

E D D A

Resuscitation

E D D A

Bring you down

D A D  
The road is paved with hope and glory  
(D ) A D

But my shoes are hiding under the bed

(D ) A

I need a little evaluation

C

Rejuvenation

Of soul and head

D D A E

E

So underneath

Hanging on the bathroom rug

Holding it together

With rubber bands and chewing gum

This mansion's crashing

I'm just the butler's maid

What do we care

We just need our own parade

E D D A

Resuscitation

E D D A

Bring me around

E D D A

Resuscitation

E D D A

Bring me down
