

Sheryl Crow - Strong Enough

Tom: G

Are you strong enough to be my man ?
My man

wasn't very popular among the guitar transcribers. I have only found "All I wanna do" on the OLGA, so here is the tab to "Strong enough", I didn't transcribed it but a friend showed me how to play it. When playing this song we used ton sing "Are you wrong enough to be my fan" instead of "Are you strong enough to be my man". Weird

Verse 4 lyrics:

When I've shown you that I just don't care
When I'm throwing punches in the air
When I'm broken down and I can't stand
Will you be man enough to be my man ?

Al Yankovic may will record our joke (cross your finger).

Verse 2 lyrics:

Nothing's true and nothing's right
So let me be alone tonight
Cause you can't change the way I am
Are you strong enough to be my man ?

You probably don't know most of them, so you better just play the first acoustic part which is much easier, even if your bandwith has two guitars or if you wanna play this ong with a friend.

Verse 3 lyrics:

I have a face I cannot show
I make the rules up as I go
It's try and love me if you can

That's all, enjoy
