

Sheryl Crow - The Book

Tom: **D**

Intro: **E Em E Em E Em**

I read your book **E Em**
 And I find it strange **E Em**
 That I know that girl **G**
 That I know her world **D**
 A little too well **E Em**
 And I didn't know **E Em**
 By giving my hand **G**
 That I would be written down, **D**
 sliced around, passed down **E E**
 Among strangers hands **G D**
 Three days in Rome **Db C#?**
 Where do we go **G D**
 I'll always remember **E Em**
 Three days in Rome **E Em E Em**
 Never again **E Em**
 Would I see your face **G**
 You carry a pen **D**
 and a paper and no time
 And no words **E Em**
 You waste **E Em**
 You're a voyeur **E Em**
 The worst kind of thief **E Em**
 To take what happened to us **G D**

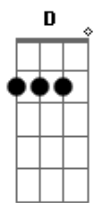

To Write down everything
 that went on

E Between you and me **E**
G D Db
 Three days in Rome
C#?
 And I'll stand alone **G D**
 I'll always remember **E Em**
 Three days in Rome

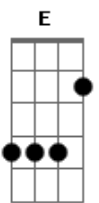

(Not too sure what a Wurlitzer is but here's the solo tabbed
 for 6-
 sting. Just put full bass on your amp and keep turnin' up the
 gain
 until it sounds close to what's on the CD.)
G A E

E Em
 And what do I get **E Em**
 Do I get revenge **G**
 While you let all out **D**
 Without any doubt **E Em**
 Of how this would end **E Em**
 Sometimes it goes **E Em**
 Sometimes we come **G**
 To learn by mistake **D**
 That the love you once made **E E**
 Can't be undone **G**
 Oh but Three days in Rome **D**
 I laid my heart out **Db C#?**
 I laid my soul down alone **G D**
 I'll always remember **E**
 Three days in Rome
