

Shiloh Dynasty - Hesitations

tom:

G

Gm7

Situations bring you back to me

Oh, lovers never break up, I guess you want that

So in my head

Fm7

You say that I'm dying to forget, I bit the bullet for you

For you, I wrote a song, too many, plenty

So I hope you really know that I been thinking 'bout you

Oh, thinking 'bout you

Eb7M

When it's dark out, I'm the one you need, yeah

Listen to the beating of your heart's song, heart's song

When it's dark out, I'm the one you need, yeah

Listen to the beating of your heart's song, song

Gm7

Da-dum, da-dum, mm

Da-dum, da-dum, oh

Da-dum, da-dum, mm, oh

Fm7

Never give up on your love for me, oh

I'm unforgettable, you'll see, you'll see me

Oh no, I'm all yours, I'm all yours

Oh-oh-oh, ooh, you didn't notice

Oh, you should know

Eb7M

When it's dark out, I'm the one you need, yeah

Acordes

Listen to the beating of your heart's song, heart's song

When it's dark out, I'm the one you need, yeah

Listen to the beating of your heart's song, song

Da-dum, da-dum, mm

Da-dum, da-dum, oh

Da-dum, da-dum, mm, oh

And there's a question that I'll never ask

No one to help me when I'm feeling bad

Hesitation

Hesitation, oh

You gotta know

I've been a mess since I met you

I'm stuck in a mood tonight

Oh (oh)

When it's dark out, I'm the one you need, yeah

Listen to the beating of your heart's song, heart's song

When it's dark out, I'm the one you need, yeah

Listen to the beating of your heart's song, song

Da-dum, da-dum, mm

Da-dum, da-dum, oh

Da-dum, da-dum, mm, oh
