

# Shiloh Dynasty - Novacane

tom:  
A

Something Isn't right with us  
I've been listing, paying attention  
You don't listen, you've been giving  
You've been spending up your time

Out there lying oh oh oh oh yeah  
You're like Novacane  
Novacane  
Poison in my brain  
Novacane  
Novacane, Novacane
