

Shinedown - A Symptom Of Being Human

tom:
 C
 I can't still remember me and Miss November Rain
 Beautiful and strange
 C Always so inclined, coloring outside the lines Am
 Yeah, you were never on time
 Am
 You've always been slightly awkward, kinda weird
 F
 Upside down and not all here
 C What's a-wrong with me and you is crystal clear G
 C
 Sometimes I'm in a room where I don't belong
 And the house is on fire and there's no alarm
 Am
 And the walls are melting too
 F
 How about you?
 C
 I've never been the favorite, thought I'd seen it all
 C
 Till I got my invitation to the lunatic ball
 Am
 And my friends are comin' too
 F
 How about you?
 Am C
 Don't worry, it's all just a symptom of being human
 C
 Unpack all your baggage
 Am
 Hide it in the attic, where
 F
 You hope it disappears
 C
 This all seems so familiar Am
 But it doesn't feel like home
 F
 It's just another unknown
 Am
 You've always been slightly awkward, kinda weird

F
 Upside down and not all here
 C G
 Right a wrong, it's all so crystal clear
 Am C
 Sometimes I'm in a room where I don't belong
 And the house is on fire and there's no alarm
 Am
 And the walls are melting too

 How about you?

 Till I got my invitation to the lunatic ball

 F
 How about you?
 Am C
 Don't worry, it's all just a symptom of being human
 C
 We're all just passing through
 Am
 Passengers on a ship of fools
 C
