 Capotraste na 3ª casa
 Intro: Gtr I: (capo on 3rd)

Verse:
 Gtr I: (capo on 3rd)

I caught a chill and it's still frozen on my skin
 I think about why I'm alone by myself no one else to explain
 How far do I go no one knows
 If the end is so much better why don't we just live forever?

Em D
 Don't tell me I'm the last one in line
 Em D
 Don't tell me I'm too late this time

G D
 I don't wanna live to waste another day
 A E
 Underneath the shadow of mistakes I've made
 G A B
 'Cuz I feel like I'm breaking inside

G D
 I don't wanna fall and say I lost it all
 A E
 'Cuz maybe there's a part of me that hit the wall
 G A B
 Leaving pieces of me behind
 G A B
 And I feel like I'm breaking inside

Out here nothing's clear
 Except the moment I decided to move on and I ignited
 Disappear into the fear
 You know there ain't no coming back when you're still carrying
 the past

You can't erase, separate

Cigarette in my hand, hope you all understand
 I won't be the last one in line
 I finally figured out what's mine

G D
 I don't wanna live to waste another day
 A E
 Underneath the shadow of mistakes I've made
 G A B
 'Cuz I feel like I'm breaking inside

G D
 I don't wanna fall and say I lost it all
 A E
 'Cuz maybe there's a part of me that hit the wall
 G A B
 Leaving pieces of me behind
 G A B
 And I feel like I'm breaking inside

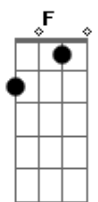

Em D
 I won't be the last one in line
 Em D
 I finally figured out what's mine

G D
 I don't wanna live to waste another day
 A E
 Underneath the shadow of mistakes I've made
 G A B
 'Cuz I feel like I'm breaking inside

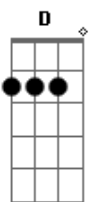

G D
 I don't wanna fall and say I lost it all
 A E
 'Cuz maybe there's a part of me that hit the wall
 G A B
 Leaving pieces of me behind
 G A B
 And I feel like I'm breaking inside

G A
 And I feel like I'm breaking
 G A B
 And I feel like I'm breaking inside
