

# Shinedown - Call Me

Tom: A  
Intro:

**Dbm**  
Wrap me in a bolt of lightning  
**E**  
Send me on my way still smiling  
**E**  
Maybe that's the way I should go,  
**A**  
Straight into the mouth of the unknown  
**Dbm**  
I left the spare key on the table  
**E**  
Never really thought I'd be able  
**E**  
To say I merely visit on the weekends  
**A**  
I lost my whole life and a dear friend

Ponte:  
**Gbm** **A**  
I've said it so many times  
**E** **B**  
I would change my ways - No, never mind  
**Gbm** **E** **A**  
God knows I've tried

I had to say goodbye for the last time  
**Dbm**  
I kept my whole life in a suitcase,

Never really stayed in one place

You know I've led my life like a gypsy
