

Shinedown - Dangerous

Tom: F

Intro: 2x: Dm Am Bb

I could stand behind my barricade
 Do what I'm told and be afraid to change
 While isolated by the mainstream
 With the current up against me

Well maybe if my arms were ten feet tall
 I could finally reach that crystal ball

'Cause I still find inside
 There's something braver
 And I, I won't be, I won't be
 The silent damnation

I will never be voiceless
 My weapon of choice is
 I'd rather be dangerous
 I won't be left defenseless
 As God as my witness
 I'd rather be dangerous, dangerous

I'm not making conversation
 But I'll state my observations
 Well I could buy my faith like a plot in the ground
 But I was never lost and I never had a doubt

'Cause I still find, it's not my imagination
 And I won't be, I won't be the silent damnation

I will never be voiceless
 My weapon of choice is
 I'd rather be dangerous
 I won't be left defenseless
 As God as my witness
 I'd rather be dangerous, dangerous

Everybody is somebody
 And anybody is you
 I own my story, I won't say sorry
 And neither should you

I will never be

I will never be voiceless
 My weapon of choice is
 I'd rather be dangerous
 I won't be left defenseless
 As God as my witness
 I'd rather be dangerous
 Everybody is somebody
 And anybody is you

I will never be voiceless (Will never be voiceless)
 As God as my witness (God as my witness)
 I won't be left defenseless
 As God as my witness
 I'd rather be dangerous, dangerous
