Gm D
(If I had a world of my own everything will be nonsense)
Bb Cm D

Gm
(Nothing will be what it is because everything will be what it isn't)
I invite you to a world where there is no such thing as time
And every creature lens themselves to change your state of mind
And the girl that chase the rabbit drank the wine and took the pill
Has locked herself in limbo to see how it truly feels
To stand outside your virtue no one can ever hurt you,
or so they say

Gm Bb
Her name is Alice (Alice)

Eb
She is crawling to the window

And shapes of shadows

Gm Bb
Alice (Alice)
Eb Bb

And even though she is dreaming, she knows

Sometimes the curiosity can kill the soul but leave the pain
And every ounce of innocence is left inside her brain
And through the looking glass we see she is painfully returned
But now off with her head I fear is everyone's concern
You see there is no real ending
It's only the beginning
Come out and play

Her name is Alice (Alice)
She is crawling to the window
And shapes of shadows
Alice (Alice)
And even though she is dreaming
She is a locked for meaning for you
This kingdom good riddance good freedom and innocence
Has brought this world all clean down
Her name is Alice (Alice)
She is crawling to the window
And shapes of shadows
Alice (Alice)
And even though she is dreaming
She is a locked for meaning
She is a locked for meaning for you
(In contrary was what it is it wouldn't be)
(And what it wouldn't be it would)
(You see)
