Hello, let me introduce you to
The characters in the show
One says yes, one says no
Decide - which voice in your head you can keep alive

```
E                    Gb              D,C#m,D,B,A
Even in madness, I know you still believe
E                    Gb              D,
Paint me your canvas so I become
C#m,      D,     B,           A
What you could never be
A                 Dbm       D                    A
I dare you to tell me to walk through the fire
                Dbm       D              B,C#m,D
wear my soul and call me a liar
A                 Dbm       D                    A
I dare you to tell me to walk through the fire

I dare you to tell me
D
I dare you to

Hello, are you still chasing
The memories in shadows
Some stay young, some grow old
Come alive, there are thoughts unclear
You can never hide
