My eyes are open wide
And by the way, I made it Through the day
I watched the world outside
By the way, I'm leaving out Today
Well, I just saw hailey's Comet shooting
Said why you always running in place?
Even the man in the Moon disappears
Somewhere in the Stratosphere
Tell my mother, Tell my father, I've done the best I can
                             Ď
To make them realize, This is my life, I hope they understand
I'm not angry, I'm just saying..., Sometimes goodbye is a
second chance
Please don't cry one tear for me
I'm not afraid of What I have to say
          C
This is my one and Only voice
