

# Shinedown - Some Day

Tom: A

A Dbm D B  
 Someday, when I'm older and they never know my name  
 A Dbm D B  
 Somehow, if I'm honest, I could never feel ashamed  
 A Dbm D B  
 Maybe, I was wrong to hold you up so high  
 A Dbm D B  
 Now I know I've lost you to the feelings i kept inside

A Dbm  
 I don't know if it felt like i wanted you here,  
 D B  
 the way that I wanted you last time  
 A Dbm  
 We're not on the same page, you don't even know me  
 D B  
 cause you never took the time

A Dbm D B  
 Someday when it's over and you never show your face  
 A Dbm D B  
 I hope you'll remember how I tried to make you a place  
 A Dbm D B  
 And so now, I move on to keep my piece of mind  
 A Dbm D B  
 In someway, I failed you, but I just ran out of time

A Dbm

I don't know if it felt like I wanted you here,  
 D B  
 the way that I wanted you last time  
 A Dbm  
 We're not on the same page you don't even know me,  
 D B  
 cause you never took the time

A Dbm  
 I'm not sure that you here me  
 A Dbm  
 I'm not sure that you look at me the same  
 A Dbm  
 I will always be attached to you  
 D B  
 But I'm never gonna feel the same

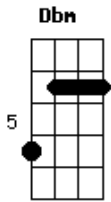

A Dbm  
 I don't know if it felt like I wanted you here,  
 D B  
 the way that I wanted you last time  
 A Dbm  
 We're not on the same page you don't even know me  
 D B  
 cause you never took the time  
 D B  
 No, you never took the time

A Dbm  
 Someday, when I'm older
