

Shinedown - Through The Ghost

Tom: G
Intro: Em7 C G D

Em7 C G D Em7
Speak of the devil look who just walked into the room

The guilty invaded notion of someone I once knew

All the perfect moments are wrong

Em7 D
All the precious pieces are gone

C
Everything that mattered is just

Em7
A city of dust

D
Covering both of us

C G Em7 A
Did you hide yourself away

C G Em7 A
I can't see you any more

C G Em7
Did you eclipse another day

A
I used to wake up to the colour of your soul

C G Em7 A
Did you hide your self away

C G Em7 A
Are you living through the ghost

C G Em7
Did you finally find a place

A
Above the shadows of a world we'll never know

C (pausa) Em7 C G D
The world will never know you like I do

Em7 C G D Em7
So many silent sorrows you'll never hear from again

C
And now that you lost tomorrow, is yesterday still a friend?

Em7 D
All the bridges that we built will burn

C
Not a single lesson was learned

Everything that mattered is just

Em7
A city of dust

D
Covering both of us

C G Em7 A.....
Did you hide yourself away

C G Em7 A.....
I can't see you any more
