

Shinedown - Unity

Tom: C
Intro: Am F Dm F

I found a note with your name and a picture of us
Even though it was framed and covered in dust
It's the map in my mind that sends me on my way

They say it's never too late to stop being afraid
And there is no one else here so why should I wait
And in the blink of an eye the past begins to fade

Pre Refrão:
So have you ever been caught in a sea of despair
And your moment of truth is the day when you say I'm not scared

Refrão:
Put your hands in the air if you hear me out there
I've been looking for you day and night
Shine a light in the dark, let me see where you are
'cause I'm not gonna leave you behind
If I told you that you're not alone
And I show you this is where you belong
Put your hands in the air... one more time

I've seen a million miles, met a million faces
Took all I knew to reach all these places

And I'd do it again if it brings me back to you

Pré Refrão:
So have you ever been caught in a sea of despair
And your moment of truth is the day when you say I'm not scared

Refrão:
Put your hands in the air if you hear me out there
I've been looking for you day and night
Shine a light in the dark, let me see where you are
'cause I'm not gonna leave you behind
If I told you that you're not alone
And I show you this is where you belong
Put your hands in the air... one more time
