I've been so many places in my life and time

I've sung a lot of songs I've made some bad rhyme

I've acted out my life in stages, with ten thousand people watching

But we're alone now and I'm singing this song for you

I know your image of me is what I hope to be

I treated you unkindly but darlin' can't you see

There's no one more important to me baby, can't you please see through me

Cause we're alone now and I'm singing this song for you

You taught me precious secrets of the truth withholding nothing

You came out in front and I was hiding

But now I'm so much better and if my words don't come together

Listen to the melody cause my love's in there hiding

I love you in a place where there's no space or time

I love you for in my life you are a friend of mine and when my life is over

Remember when we were together

We were alone and I was singing this song for you

You taught me precious secrets of the truth withholding nothing

You came out in front and I was hiding

But now I'm so much better and if my words don't come together

Listen to the melody cause my love's in there hiding

We were alone and I was singing this song for you

We were alone and I was singing this song, singing this song for you
