

Shredder - Keep Believing

```
Tom: G
 Mama said
to take care
but you didn't mind
'cause you were blind
 When the wind blows
In an ordinary day
In a different road
Yeah, you know
Nothing left to say
Just another pray
For you
 When the sun shines
It's coming another day  \\
Whith a dark sky
Yeah, you know
Nothing left to choose
Just a single path
```
