Am F
Money cannot buy

C E7
All the love that's here tonight

E7
All the love that's here tonight
Ouh-ouh

F C
It's just you and I

C E7
So lift your hands toward the sky

E7
Lift your hands toward the sky
Ouh-ouh

Am F
It seems like yesterday that I was nothin'

F C
Then all of a sudden I'm a volcanic eruption

C E7
Then all of a sudden it's like spontaneous combustion

E7
And I'm all up in your face yellin': "Bitch, you can tell me nothin'."

Am F
Cause I came from the bottom, now everybody's watchin'

F C
I said it was my time, now I'm who everybody's clockin'

C E7
And I'm just out here sprintin', I'm runnin' right through my vision

E7
I'm trying to outrun my past, but still trying to defeat my limits

Am F
Cause you only get one moment in this life to be great

F C
And you can give it your all despite what it takes

C E7
And you never let 'em kill you, you take everything they give you

E7
And throw it right fuckin' at 'em and tell 'em it doesn't build you

Am F
And no it don't ever break you, and no it can't overtake you

F C
Life's like a bed of roses, you take the thorns and you make do

C E7
Sometimes you have to hurt for the cause to be reached

E7
But one day you'll be stronger than all that you beat

C E7
And you can say

E7
Am F
Money cannot buy

F C
All the love that's here tonight

C E7
All the love that's here tonight
Ouh-ouh

E7
All the love that's here tonight
Ouh-ouh

F C
It's just you and I

C E7
So lift your hands toward the sky

E7
Lift your hands toward the sky
Ouh-ouh

E7
Ouh-ouh

Am F
I woke up one Sunday morning, stopped believing in Jesus

F C
Stopped believing in churches, I stopped believing in preachers

C
C

I realized I was a teacher, not just one of the heathens

E7
I'm born to destroy the fallacies, start creating believers

Am F
Start creating the leaders, tell 'em who they should follow

F C
Nobody but themselves, especially if they hollow

C E7
Especially when they empty and death reserves for fulfillment

E7
You the only person alive who holds the key to your healin'

Am F
So you take it and you run with it

F C
And keep going even when your sun's hidden

C E7
Because the time we spent in darkness when the rain come

E7
Is where we often find the light soon as the pain's done

Am F
There ain't no material things in the world
That can change the fact that you feel alone

F C
Despite the fact that it gets hard,
You take it all and you still go

C
Take the sun and you still grow,
Lose the light and you still glow

E7
I been there, I'm still here and I know how you feel, so

E7
I been there, I'm still here and I know how you feel, so

Am F
Money cannot buy

F C
All the love that's here tonight

C E7
All the love that's here tonight
Ouh-ouh

E7
All the love that's here tonight
Ouh-ouh

Am F
It's just you and I

F C
So lift your hands toward the sky

C E7
Lift your hands toward the sky
Ouh-ouh

E7
Ouh-ouh

Am F
We don't wanna fight

F C
So sing with me your battle cry

C E7
Sing with me your battle cry
Ouh-ouh

E7
Ouh-ouh

Am F
Money cannot buy

F C
All the love that's here tonight

C E7
All the love that's here tonight
Ouh-ouh

E7
Ouh-ouh

Am F
It's hard to explain my way of living to people who never lived it

F C
A minute in my position filled with my opposition

C E7
That anybody not different fighting to stay the same

E7
I got lives in my hands and I'm fighting to make 'em change

Am F
Couldn't accept responsibility, find somebody to blame

F C
The emotions that I'm harboring 'bout to drive me insane

C E7
Tried to say fuck everything, but I ain't have a heart to

E7
Rarely had a heart to do a lot of things I ought to

Am
So now I spit it for people who say their cords missing

F
Inspire life into anybody that's forfeiting
Cause it's **C** easy to keep pretending that there's nothing wrong
But it's **E7** harder to keep your head up and be fucking strong
Am
So, now they're telling me, "Go, Haze, they can't stop you."
F
Heavyweight flow, if they can't lift you then they can't drop you
The **C** pinnacle, if they can't reach you then they can't top you
E7
Man, they can't do anything that you're about to."

Am **F**
Money cannot buy
All the love that's **C** here tonight
E7
All the love that's here tonight
Ouh-ouh

Am **F**
It's just you and I
So lift your hands **C** toward the sky
E7
Lift your hands toward the sky
Ouh-ouh

Am **F**
We don't wanna fight
So sing with me your **C** battle cry
E7
Sing with me your battle cry
Ouh-ouh
Am **F**
Money cannot buy
All the love that's **C** here tonight
E7
All the love that's here tonight
Ouh-ouh
