

# Sia - Burn The Pages

Tom: Gb  
Intro: Gb Ebm B

Gb  
You're dark grey like a storm cloud  
Swelling up with rage that is desperate to be let out  
D  
And i know it's a heavy load carrying those tears around  
Carrying those fears around, worry makes the world go round  
Gb  
You're twisted up like a slipknot  
Tied by a juicehead who just took his t-shot, and i know  
D  
There's a hungry dog tugging at your frayed ends  
But he's just playing with you, he just wants to be your friend

Ebm Db  
So don't worry, don't worry i'm here by your side  
B  
By your side, by your side  
We're letting go tonight!

Gb  
Yesterday is gone and you will be ok  
Ebm  
Place your past into a book, burn the pages  
B  
Let 'em cook, oh  
Gb  
Yesterday is dead and gone and so today  
Ebm

Place your past into a book, burn the pages  
B  
Let 'em cook

Gb  
Eyes stinging from the black smoke, new hope  
Loose rope, risen from the undertow  
D  
All is well  
We welcome the cry, of the dark night sky  
Swallow me peacefully, follow my heart back inside
