

# Sia - Elastic Heart

Tom: A

(com acordes na forma de Capostrate na 2ª casa G )

And another one bites the dust  
 But why can I not conquer love?  
 And I might've got to be with one  
 Why not fight this war without weapons?  
 And I want it and I want it bad  
 But there were so many red flags  
 Now another one bites the dust  
 And lets be clear, I trust no one  
 You did not break me  
 I'm still fighting for peace

Refrão:

Well I've got a thick skin and an elastic heart  
 But your blade it might be too sharp  
 I'm like a rubber band until you pull too hard

But I may snap when I move close  
 But you won't see me fall apart  
 Cause I've got an elastic heart  
 I've got an elastic heart  
 Yeah, I've got an elastic heart

( C G D Em D )

And I will stay up through the night  
 Let's be clear, won't close my eyes  
 And I know that I can survive  
 I walked through fire to save my life  
 And I want it, I want my life so bad  
 I'm doing everything I can  
 Then another one bites the dust  
 It's hard to lose a chosen one

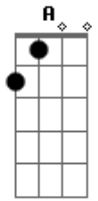

You did not break me (You did not break me, oh)  
 I'm still fighting for peace

Refrão 3x: ( C G D Em D )

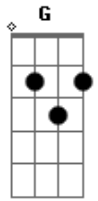

Well I've got a thick skin and an elastic heart  
 But your blade it might be too sharp  
 I'm like a rubber band until you pull too hard  
 But I may snap when I move close  
 But you won't see me fall apart  
 Cause I've got an elastic heart

I've got an elastic heart
