

Sia - Fire Meet Gasoline

Tom: Ab

(com acordes na forma de Capotraste na 4ª casa

It's dangerous to fall in love
But I want to burn with you tonight
Hurt me

There's two of us
We're bristling with desire
The pleasure's pain and fire

Burn me

PRÉ REFRÃO

So come on
I'll take you on, take you on

I ache for love ache for us
Why don't you come

Don't you come a little closer

So come on now

Strike the match, strike the match now

We're a perfect match, perfect somehow

We were meant for one another

Come a little closer

REFRÃO

Flame you came to me
Fire meet gasoline
Fire meet gasoline
I'm burning alive
I can barely breathe
When you're here loving me

Fire meet gasoline

Fire meet gasoline

I got all I need

When you came after me

E)

Fire meet gasoline
I'm burning alive
And I can barely breathe
When you're here loving me
Fire meet gasoline
Burn with me tonight

And we will fly
Like small sparks in the skies
I mean I want to try and
Take a bite
PRÉ REFRÃO

REFRÃO

But it's a bad death

Certain death
But I want what I want

And I got to get it
When the fire dies

Dark in the skies
Hot as a match

Only smoke is left
But it's a bad death

Certain death
But I want what I want

And I got to get it
When the fire dies

Dark in the skies
Hot as a match

Only smoke is left

REFRÃO

Burn with me tonight
Burn with me tonight
Burn with me tonight
Eh eh
