

# Sia - Fire Meet Gasoline

Tom: Ab

(com acordes na forma de Capotraste na 4ª casa

It's dangerous to fall in love  
But I want to burn with you tonight  
Hurt me

There's two of us  
We're bristling with desire  
The pleasure's pain and fire

Burn me

PRÉ REFRÃO

So come on  
I'll take you on, take you on

I ache for love ache for us  
Why don't you come

Don't you come a little closer

So come on now

Strike the match, strike the match now

We're a perfect match, perfect somehow

We were meant for one another

Come a little closer

REFRÃO

Flame you came to me  
Fire meet gasoline  
Fire meet gasoline  
I'm burning alive  
I can barely breathe  
When you're here loving me

Fire meet gasoline

Fire meet gasoline

I got all I need

When you came after me

E )

Fire meet gasoline  
I'm burning alive  
And I can barely breathe  
When you're here loving me  
Fire meet gasoline  
Burn with me tonight

And we will fly  
Like small sparks in the skies  
I mean I want to try and  
Take a bite  
PRÉ REFRÃO

REFRÃO

But it's a bad death

Certain death  
But I want what I want

And I got to get it  
When the fire dies

Dark in the skies  
Hot as a match

Only smoke is left  
But it's a bad death

Certain death  
But I want what I want

And I got to get it  
When the fire dies

Dark in the skies  
Hot as a match

Only smoke is left

REFRÃO

Burn with me tonight  
Burn with me tonight  
Burn with me tonight  
Eh eh
