Verse 1:

I fought so hard for your heart, all the way down  
And I thought that I could save you from destruction

Pre-Chorus:

But I was never in contro-o-ol, never in control  
Fighting another war

No I was never in contro-o-ol, never in control  
Fighting another war

Chorus:

Was fist-fighting a sandstorm  
Now I ain't boxing anymore  
I'm letting go and it's beautiful  
Fist-fighting a sandstorm  
Fist-fighting a sandstorm  
Is a losing battle  
Was fist-fighting a sandstorm

Fighting a sandstorm

Fighting a sandstorm

Was fist-fighting a sandstorm

Was fist-fighting a sandstorm

But I won't fight it anymore

I'm letting go and it's beautiful

Verse 2:

I was hurting, I couldn't let go, I couldn't leave you  
And I told myself, don't [?] ourselves, that we push through

Pre-Chorus:

But I was never in contro-o-ol, never in control  
Fighting another war

No I was never in contro-o-ol, never in control

Fighting another war

Chorus:

Was fist-fighting a sandstorm  
Now I ain't boxing anymore  
I'm letting go and it's beautiful  
Fist-fighting a sandstorm  
Fist-fighting a sandstorm  
Is a losing battle  
Was fist-fighting a sandstorm  
Fighting a sandstorm  
Fighting a sandstorm  
Was fist-fighting a sandstorm  
Was fist-fighting a sandstorm  
But I won't fight it anymore  
I'm letting go and it's beautiful

Pre-Chorus:

But I was never in contro-o-ol, never in control  
Fighting another war

No I was never in contro-o-ol, never in control

Fighting another war

Chorus:

Was fist-fighting a sandstorm  
Now I ain't boxing anymore  
I'm letting go and it's beautiful  
Fist-fighting a sandstorm  
Fist-fighting a sandstorm  
Is a losing battle  
Was fist-fighting a sandstorm  
Fighting a sandstorm  
Fighting a sandstorm  
Was fist-fighting a sandstorm  
Was fist-fighting a sandstorm  
But I won't fight it anymore  
I'm letting go and it's beautiful
