

# Sia - Freeze You Out

Tom: Gb

Intro:  
Ebm Gb Db

Verse:  
Ebm  
You know I've been hurt before  
Yeah, you know the score and I know you want more  
You want me to thaw out  
But you know I get ice cold, I get cold  
When you don't go slow, but I know you want more  
You need me to thaw out

Pre-Chorus:  
B Ebm Db  
And I know you were worth it  
And I know this could work if  
I could only let you in  
But I'm freezing

Chorus:  
Ebm  
I'm not burning away  
I'm not burning away  
I will feel the burn and stay  
I'm not burning again  
I'm not burning again  
Even though I'm scared, baby  
And I won't freeze you out  
Like I have been  
I won't freeze you out  
I'm gonna let you in  
And I won't freeze you out  
Like I have been  
I won't freeze you out  
My heart is melting

Verse:  
Ebm  
So here's my heart for you to hold  
Feel it beat, feel the warm blood flow through my cold  
Feel it thaw out  
Yeah, I've felt the fear but I push through  
It's so worth loving you, you wanted more  
And so I thawed out

Pre-Chorus:  
B Ebm Db  
And I know you were worth it  
And I know this could work if  
I could only let you in

But I was freezing

Chorus:  
Ebm  
I'm not burning away  
I'm not burning away  
I will feel the burn and stay  
I'm not burning again  
I'm not burning again  
Even though I'm scared, baby  
And I won't freeze you out  
Like I have been  
I won't freeze you out  
I'm gonna let you in  
And I won't freeze you out  
Like I have been  
I won't freeze you out
