

# Sia - I Go To Sleep

Tom: D

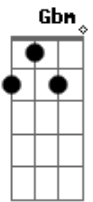

When I look up from my pillow  
 I dream you are there with me  
 Though you are far away  
 I know you'll always be near to me  
 I go to sleep  
 And imagine that you're there with me  
 I go to sleep  
 And imagine that you're there with me  
 I look around me  
 And feel you are ever so close to me  
 Each tear that flows from my eye  
 Brings back memories of you to me  
 I go to sleep  
 And imagine that you're there with me

And imagine that you're there with me  
 I go to sleep  
 And imagine that you're there with me  
 I was wrong, I will cry  
 I will love you till the day I die  
 You were all, you alone and no one else  
 You were meant for me  
 When morning comes again  
 I have the loneliness you left me  
 Each day drags by  
 Until finally my time descends on me  
 I go to sleep  
 And imagine that you're there with me  
 I go to sleep  
 And imagine that you're there with me
