

Sia - I Go To Sleep

Tom: D

When I look up from my pillow
 I dream you are there with me
 Though you are far away
 I know you'll always be near to me

 I go to sleep
 And imagine that you're there with me
 I go to sleep
 And imagine that you're there with me

 I look around me
 And feel you are ever so close to me
 Each tear that flows from my eye
 Brings back memories of you to me

 I go to sleep
 And imagine that you're there with me

And imagine that you're there with me
 I go to sleep
 And imagine that you're there with me

 I was wrong, I will cry
 I will love you till the day I die
 You were all, you alone and no one else
 You were meant for me

 When morning comes again
 I have the loneliness you left me
 Each day drags by
 Until finally my time descends on me

 I go to sleep
 And imagine that you're there with me
 I go to sleep
 And imagine that you're there with me
