

Sia - I'm In Here

Tom: C

I'm in here, can anybody see me here, can anybody help?
 I'm in here a prisoner of history, can anybody help?

Can't you hear my call, are you coming to get me now
 I've been waiting for you to come asking me
 I need you to hold, all of the sadness I am not, living with
 inside of me

I'm in here, I'm trying to tell you something

Can anybody help?

I'm in here, I'm calling out but you can't hear

Can anybody help?

Can't you hear my call, are you coming to get me now

I've been waiting for you to come asking me

I need you to hold, all of the sadness I am not, living with

inside of me

I'm crying out I'm breaking down, I'm feeling old

Stuck inside these walls there is nothing left for me

Is anybody out there?

Can't you hear my call, are you coming to get me now

I've been waiting for you to come asking me

I need you to hold, all of the sadness I am not, living with
 inside of me

inside of me

Can't you hear my call, are you coming to get me now

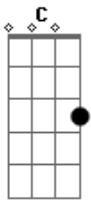

I've been waiting for you to come asking me

I need you to hooooooooold, living with
 inside of me

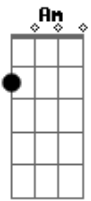

inside of me

I'm in here, can anybody see me here, can anybody help?
