

# Sia - Reaper

Tom: G

G  
Broke down  
D  
Thought that I would drown  
Em  
Hope that I've been found  
C  
'Fore I hit the ground  
G  
Sun rays out the corner of my eye, hey...  
D  
Saw you weeping, saw you creeping  
Em  
Saw you sneaking in the shadows dawn  
C  
I feel so strong  
  
Saw you out the corner of my eye  
  
G  
Don't come for me today  
D  
I'm feeling good  
Em  
I'ma savor it  
C  
Don't come for me today  
G  
I'm feeling good  
D  
I remember when  
Em C  
(Reaper!)  
  
G  
You came to take me away  
D  
So close I was to heaven's gates  
Em  
But no baby, no baby, not today  
C  
Oh, you tried to track me down  
G  
You followed me like the darkest cloud  
D  
But no baby, no baby, not today  
Em  
(Reaper) Oh reaper!  
C  
(Reaper) Oh no baby, no baby, not today  
G D

(Reaper) Oh reaper!  
Em C  
(Reaper) Oh no baby, no baby, not today  
  
G  
So come back when I'm good to go  
D  
I got drinks to drink, and men to hold  
Em  
I got good things to do with my life, yeah  
C  
Oh, I wanna dance in the open breeze  
G D  
Feel the wind in my hair, hear the ocean sing  
Em C  
I got good things to feel in my life, yeah  
  
G  
Don't come for me today  
D  
I'm feeling good  
Em  
I'mma savor it  
C  
Don't come for me today  
G  
I'm feeling good  
D  
I remember when  
Em C  
(Reaper)  
  
G  
You came to take me away  
D  
So close I was to heaven's gates  
Em  
But no baby, no baby, not today  
C  
Oh, you tried to track me down  
G  
You followed me like the darkest cloud  
D  
But no baby, no baby, not today  
Em  
(Reaper) Ohhh reaper
