

Sia - Together

tom:

G Oh, together, we can take it higher

G C Em C I can hear the thunder coming from your mouth

C And I know my number's up, give me some Stevie Wonder

C Quick, put it on before we go under

G I can see the lightning coming from your ears

Yeah, I see you're frightened

Em I can see the lion sleeps tonight in the tears you're crying

[Ponte]

G Oh, you can't love me unless you love you too

G Treat yourself like nothin' but a fool

Em C Can't love me unless you love you too, love you too

[Refrão]

G Come now set the past on fire, stand up raise your face to the

Em sky, my love

C Together, we can take it higher, oh, together, we can take it higher

G Come now set the past on fire, stand up raise your face to the

Em sky, my love

Together, we can take it higher, oh, together, we can take it higher

G C I can see the rainbow coming from your heart and it's all ok so

Em Come now, see you're my angel, so say bye to the past, hello to tomorrow

[Ponte]

G Em Oh, you can't love me unless you love you too

G Treat yourself like nothin' but a fool

Em C Can't love me unless you love you too, love you too

[Refrão]

G Come now set the past on fire, stand up raise your face to the

Em sky, my love

C Together, we can take it higher, oh, together, we can take it higher

G Come now set the past on fire, stand up raise your face to the

Em sky, my love

C Together, we can take it higher, oh, together, we can take it higher

G I want love, I want to give it, I want love, please deliver it

Em I want love, I want to give it, I want love, please deliver it
