

# Sia - Together

tom: <sup>G</sup>

<sup>G C Em C</sup>  
Oh, together, we can take it higher

<sup>G C</sup>  
I can hear the thunder coming from your mouth

<sup>Em</sup>  
And I know my number's up, give me some Stevie Wonder

<sup>C</sup>  
Quick, put it on before we go under

<sup>G C</sup>  
I can see the lightning coming from your ears

Yeah, I see you're frightened

<sup>Em C</sup>  
I can see the lion sleeps tonight in the tears you're crying

[Ponte]

<sup>G Em</sup>  
Oh, you can't love me unless you love you too

<sup>G</sup>  
Treat yourself like nothin' but a fool

<sup>Em C</sup>  
Can't love me unless you love you too, love you too

[Refrão]

<sup>G</sup>  
Come now set the past on fire, stand up raise your face to the

<sup>Em</sup>  
sky, my love

<sup>C</sup>  
Together, we can take it higher, oh, together, we can take it higher

<sup>G</sup>  
Come now set the past on fire, stand up raise your face to the

<sup>Em</sup>  
sky, my love

<sup>C</sup>  
Together, we can take it higher, oh, together, we can take it higher

<sup>G</sup>  
I want love, I want to give it, I want love, please deliver it

<sup>Em</sup>  
I want love, I want to give it, I want love, please deliver it

<sup>C</sup>  
Together, we can take it higher, oh, together, we can take it higher

<sup>G C</sup>  
I can see the rainbow coming from your heart and it's all ok so

<sup>Em C</sup>  
Come now, see you're my angel, so say bye to the past, hello to tomorrow

[Ponte]

<sup>G Em</sup>  
Oh, you can't love me unless you love you too

<sup>G</sup>  
Treat yourself like nothin' but a fool

<sup>Em C</sup>  
Can't love me unless you love you too, love you too

[Refrão]

<sup>G</sup>  
Come now set the past on fire, stand up raise your face to the

<sup>Em</sup>  
sky, my love

<sup>C</sup>  
Together, we can take it higher, oh, together, we can take it higher
