

Sick Puppies - Poison

tom:

A

[Primera Parte]

Here I sleep
 With one eye open
 While you're dreaming
 Next to me

Well, at least
 I gave up hoping
 Some kind of miracle
 It set me free

[Pre-Refrão]

Starting over
 God only knows where we've been
 Starting over
 Is not an option

[Refrão]

You're like poison
 On my tongue
 So bittersweet
 But I like it, I love it

Poison on my tongue
 And it keeps killing me
 But I like it, I love it

(Dm Am Bb C)

[Segunda Parte]

Here's a pill
 Why don't we take it?
 Does it hurt to makes it all ok?
 And wait until We both are naked
 To save the bullshit
 Before another day

[Pre-Refrão]

Starting over

Acordes

God only knows where we've been
 Starting over
 Is not an option

[Refrão]

You're like poison
 On my tongue
 So bittersweet
 But I like it, I love it

Poison on my tongue
 And it keeps killing me
 But I like it, I love it

[Tercera Parte]

You make me wanna jump off a ledge
 Those who are not alive come back from the dead
 Do it again, do it again, do it again
 Poison

And it keeps killing me
 But I like it, I love it

(Bb C)

On my tongue
 She's like poison on my tongue
 She's like poison
 She's like poison

Poison
 Poison
 Poison
 Poison

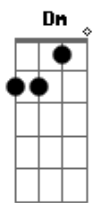

[Refrão]

She's like poison on my tongue
 So bittersweet
 But I like it, I love it
 She's like poison on my tongue
 It keeps killing me
 But I like it, I love it
