

Sid Ferreira - After Sunrise

tom:

Intro: **Em7** **A7** **Bb** **Bm7** **Bm**

I just knew it was love at first sight and I need to say
Since the first smile in a little while you just drove me crazy
Never had a doubt, never second thoughts

Staring at the stars
I lost my mind beyond the sky
The moon was there to shine, a source of light
As you are here in my heart

How could I deny? Could I feel and hide? Could I find a way?
When you held me tight one more reason why I felt so amazing
For the first time on that second when you smiled

Floating among the stars
I lost my mind beyond the sky
The moon was there to shine, a source of light
As you are here in my heart

Although you were so kind, I was terrified

D7M# **F**
Of our uncertain fate, always just friends
Em7 **Dm7** **Dbm7**
Maybe one night stand and never see again
Gb7 **Bm7** **B7**
Or a fairy tale

Em7 **Gm**
Wish I could rely on this thought you will be mine
D7M# **F**
As if moonlight after sunrise
Em7 **Dm7** **Dbm7**
There'll come a time when you are back to my arms
Gb7 **Bm7** **Bm**
After our first goodbye

Reflecting on that night

I lost my mind beyond the sky
B7 **Em7**
The moon was there to shine, a source of light

In my heart? In my heart

In my heart? In my heart
