

Sid Ferreira - Nanda Ballad

tom:
Dm And what if I say "I'm carrying on"
Gm7 **A7** Once you've said goodbye and gone
Dm7 **Dm** Trying to get on the phone, to move on
Gm7 **A7** Tell you "I'm better on my own"
Dm7 **C** **F7** Not living in the shadows
Bm7 **Bbm** Not listening to sad songs
F7M **Ab** Not hurting a deep scar
Gm **A7** Not falling apart
Dm7 And what if I say "go away"
Gm7 **A7** Doesn't matter the price to pay
Dm7 **Dm** I'm pushing myself, finding a way
Gm7 **A7** Keeping you far away
Dm7 **Dm** And what if I say that "I'm ok"

In an effort to try pretending to be
 But you never buy my poker face
 By the way these words
 If only this little lie
 Were true when I say that I'm
 Not living in the shadows
 Not listening to sad songs
 Not hurting a deep scar
 Not falling apart
 Not missing you back home
 Not feeling so bad anymore
 Not getting so lonely now
 Not broken, not down
 Not bleeding inside my heart
 Not falling apart
