

Sierra Burgess - Sunflower

Tom: C

C F
 Rose girls in glass vases
 C F
 Perfect bodies, perfect faces
 Am G Am G
 They all belong in magazines
 C F
 Those girls the boys are chasing
 C F
 Winning all the games they're playing
 Am G Am G
 They're always in a different league

 Am G F
 Stretching toward the sky like I don't care
 Am G F
 Wishing you could see me standing there

C F
 But I'm a sunflower, a little funny
 C F
 If I were a rose, maybe you'd want me
 Am G
 If I could, I'd change overnight
 Am G
 I'd turn into something you'd like

C F
 But I'm a sunflower, a little funny
 C F
 If I were a rose, maybe you'd pick me
 Am G
 But I know you don't have a clue
 Am G
 This sunflower's waiting for you
 C F
 Waiting for you.
 C F
 But I'm a sunflower, a little funny
 C F
 If I were a rose, maybe you'd want me
 Am G
 If I could, I'd change overnight
 Am G
 I'd turn into something you'd like
 C F
 But I'm a sunflower, a little funny
 C F
 If I were a rose, maybe you'd pick me
 Am G
 But I know you don't have a clue
 Am G
 This sunflower's waiting for you
 C F
 Waiting for you
