

# Silverchair - Black Tangled Heart

Tom: C

## Tablature explanation

b : bend  
 s : slide  
 h : hammer-on  
 p : pull-off  
 x : muffled string  
 P.M.: palm mute

## Standard tuning

[0:00] (2 guitars, one acoustic, one electric, arranged for one)

[0:21]

Maybe your luck has changed settle down  
 Maybe I'm just deraged and on the rebound  
 Maybe love was the thing holding me back from all  
 Maybe I'm just the thing to break my own fall

[1:03]

**Bb F Em** (chords implied by melody)

Take the rope to my heart and fall  
 You may just be the last before you see  
 The black tangled heart fall

[1:34]

Maybe departure's good  
 Makes room for more start

To mass produce for a chance to ignore  
 Maybe you'll kill yourself before you get a turn Maybe i'll  
 fall in love and never learn

[2:16]

**Bb F Em** (chords implied by melody)

Take the rope to my heart and fall  
 You may just be the last before you see  
 The black tangled heart fall

[2:42]

[3:32]

**Bb F Em** (chords implied by melody)

Take the rope to my heart and fall  
 You may just be the last before you see  
 The black tangled heart fall

[3:58]

(drum break)

(drum break)

(drum break)
