[0:05]
distortion on

Equalize the pressure, it's all too much
Sex drugs and image is just enough
To get you by in the real world

distortion off

Bb B G C Bb Bb A#- x2

He's made you blind
You're better on your own
I'm just the kind to bring you down

Dearest helpless
Intent's not as bad as the action
Take a breath to distort
The fear in your eyes
I don't mean it to hurt
But every time I hate you
I think of you first

He's made you blind
You're better on your own
I'm just the kind to bring you down

[2:54]
x3
He's made you blind
I'm just the kind to bring you, to bring you...
He's made you blind
You're better on your own
I'm just the kind to bring you down
