## Silverchair - Greatest Veiw

```
[0:00]Intro
                                                                  [2:18] STICK
                                                                  Guitar 1
Guitar 1
Daniel uses a octavizer effect on his guitar for this part.
                                                                  Guitar 2
The same goes for the stick on this song.
                                                                  It's a bit hard to hear this part but if you listen carefully
                   В7
                                                                  you'll hear it.
You're the analyst, the fungus in my_milk
                                                                  [2:30]
             Am
                     Α
When you want no-one and you've got someone
                           В7
Through the wind you crawl and laugh at burning dunes
                                                                  PRE-CHORUS
                                                                                         C
When no one else will ever see
                                                                  Now that you know why you feel like you do
                                                                  They're turning their head whilst they wait for no-one A {\sf Gbm} F#-E C {\sf D} see
