

# Silverchair - Reflections Of a Sound

Tom: C

Cause you're keeping me warm and it's a lonely setting sun  
 I know it's been far too long stormy weather. My arrested hope  
 Won't trip forever, like a memory I needed never  
 We walk wrapped in thought, some are vacant some have grown too short  
 It's the only thing I've ever had that keeps me lonely

Refrão:  
 In a song we have found to be reflections of a sound  
 When nobody is around  
 In a song we have found to be reflections of a sound  
 When nobody is around

Ponte:  
 I'll wait so long, now my head is full of pressure  
 I need time to kill my mind, it's like a loop that lasts forever

I've been waiting for far too long let's stick together  
 Cause you're keeping me warm and it's a lonely setting sun

2 x Refrão
