

Silvestre Kuhlmann - Amor Eterno

tom: C

Não me amaria até aqui, somente
 Aquele que me amou desde o eterno
 E, não contente de um amor fraterno
 Veio lavar os pés de nossa gente

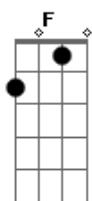

O amor de Deus é como chama ardente
 Capaz de incendiar o próprio inferno
 Mas é também tão delicado e terno

Que abraça os pequeninos ternamente

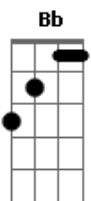

Ah! Já não sei como faria jus
 A tantos gestos que nos fez Jesus
 Presente em nossa vida a todo instante!

Por isso, venho renovar a entrega
 Pois quem se sente amado nunca nega
 A própria vida para o seu Amante
